### PROFESSIONAL EXPERIENCE

#### Bliss Web Solution

March 2025- Present

- Developing web applications using Next.js, Node.js, MongoDB, and Prisma.
- Building features for e-commerce, property booking, and role-based platforms.
- Collaborating on API integrations, frontend development, and admin panels for client projects.

#### Web Alchemy Digital Solutions

May 2024 -Aug 2024

- Worked on the UI of the LivRegalia website using React.js, JavaScript, and CSS.
- Improved the design and added new features to make the website more user-friendly.
- Used different libraries to speed up development and made sure the site looks good on all devices and browsers.

### PROJECTS

#### Property Booking Platform (Next.js, Tailwind CSS, REST APIs)

- Worked on booking flows, property listing, filters, and responsive UI.
- Integrated APIs for data handling and user interactions

#### Chat Application (Next.js, MongoDB, Socket.io)

- Built chat system with friend requests, email verification, private & group chats.
- Added features like passcode-protected chats, online/offline status, and read receipts.

#### E-Commerce Platform (Weave) (Next.js, MongoDB, Payment Gateway)

- Created a clothing store with authentication-based cart, checkout, and payment flow.
- Integrated order success emails and address management.

#### GoGen Website Enhancements (Next.js, BigCommerce API)

- Fetched and displayed customers, orders, and products using BigCommerce API.
- Contributed to API syncing and UI updates.

#### Blog Application with Role-Based Access (Next.js, MongoDB, JWT)

- Built admin panel for user management and blogging features.
- Implemented authentication, password reset, and secure sessions.

### EDUCATION

Geetanjali Institute of Technical Studies,Udaipur

(BCA)

Aug 2021 - Jun 2024
